CHAPTER 1

CORPORATE GOVERNANCE STRUCTURES

S.I.F. Oltenia S.A. is administrated based upon an unitary system, according to the articles of incorporation provisions.

The corporate governance structures of S.I.F. Oltenia S.A. are represented by **General Shareholders Meeting, The Board of Directors, The Consultancy Committees and in The Superior Leadership**, authorities for which the functions, complements and responsibilities are forwardly presented.

1.1. General Meeting of Shareholders

The General Meeting of Shareholders is the supreme governing body of the company, which will be established and will operate in accordance with the legal provisions in force

The general meetings are ordinary and extraordinary and may be convened whenever necessary on the basis of the reports submitted by the board of directors set by the legal provisions;

The Ordinary General Shareholders Meeting meets at least once a year within the time limit set by the regulations and the legal provisions. The Ordinary General Meeting is obliged:

- to discuss, approve or amend the annual financial statements on the basis of the reports submitted by the board of directors and the financial auditor and to set the dividend;
- to elect and revoke the members of the board of directors;
- to appoint or dismiss the financial auditor and to fix the minimum duration of the financial audit contract;
- to set the remuneration due for the current exercise of the members of the board of directors, unless it was established by the constitutive act;
- to decide on the management of the board of directors;
- to establish the revenue and expenditure budget and, as the case may be, the activity schedule for the next financial year;
- to decide on the pledging, renting or dismantling of one or more units of the company.

The Extraordinary General Meeting meets as often as necessary to make a decision on:

- changing the legal form of the company;
- relocation of the company's headquarters;
- changing the object of the company's activity;
- increase of the share capital;
- reduction of the share capital or re-listing by issuing new shares;
- merger with other companies or division of the company;
- early dissolution of the company;

The quorum requirements and the adoption of quorums are stipulated in the company's articles of incorporation.

1.2. THE BOARD OF DIRECTORS

The company is administrated in a single system by an Administration Board composed of 7 members, natural persons, chosen by The Ordinary Shareholders Meeting on a period of 4 years with the possibility of being chosen again. The Board of Directors will have in its componence the majority of the non-executive members, from which no less than two members will be independent. The independence will be established in accordance with the applicable legislation and with the internal regulation of the company.

The members of The Board of Directors will fulfil cumulatively the minimum requirements regarding integrity, qualification and professional experience foreseen in the legal regulations and provisions.

- **The role and obligations of The Board of Directors**

The members of The Board of Directors are chosen by The Ordinary General Meeting of Shareholders. They will practice their attributions and obligations of the mandate after their approval by The Financial Supervisory Authority with the constitution of the warranty and the conclusion of the professional civil liability insurance.

In cases where The Board of Directors has a vacant place, The Ordinary General Meeting will choose a new administrator. The duration will be equal with the period remaining till the expiry of one's predecessor's mandate. Till the first general Meeting adopting validly the decision to choose administrators on the vacant positions and their approval by the competent authority, the current administrators will proceed to the denomination of some temporary administrators, respecting the approval conditions of the co-opted person.

If the availability foreseen above determines the decrease of administrator number under the legal threshold, then the remaining administrators will summon

immediately The Ordinary General Meeting of Shareholders to complete the number of members from The Board of Directors.

Failing to validate one or more members of The Board of Directors by the competent authority leads, for those in case, to the loss of administrator quality.

The administrators will be remunerated for the activity performed, the monthly remuneration and other rights due to the administrators which will be established by decisions of The Ordinary General Meeting of the Company's Shareholders.

Each administrator must conclude the professional liability insurance provided by the law of the companies, under the conditions and limits set by the Ordinary General Meeting of the Shareholders, mandatory for the performance of their position attributions.

The Board of Directors chooses from its members one **President** and one **Vice-President**.

Members of The Board of Directors will cumulatively meet the minimum requirements regarding integrity, qualification and professional experience as provided in the legal regulations and provisions.

In the performance of their mandate, the members of The Board of Directors have the possibility to be elected in the administration and management of the companies from the portfolio, applying the internal procedures to avoid conflicts of interests.

The members of The Board of Directors have the right to recover the expenses determined by the performance of their mandate.

Each administrator must expressly accept the mandate. By accepting this capacity, each administrator assumes the obligations provided by the articles of incorporation, internal regulations of Board of Directors as well as the applicable legal provisions.

The Board of Directors meets at the headquarters of the company or in another place established by summoning with the meetings being convened and carried

out in accordance with the applicable legal provisions as well as in accordance with the internal regulations of The Board of Directors. Members of The Board of Directors may be represented at Board meetings by other members based upon a power of attorney. A member of the Board may only represent only one another member at a meeting. The empowerment will be handed over to the secretariat before the meeting begins. In urgent cases or in the impossibility of the administrators' participation in the proceedings, the President of the Board may decide to hold the meeting and transmit the vote by electronic means, according to the procedure established by the Internal Regulations of The Board of Directors. The meetings are chaired by the President and in his absence by the Vice-President.

The Board of Directors has full powers in the interval between the general meetings regarding the administration of the company, except for those which the law or the articles of incorporation provides exclusively for the general meeting, being charged with the accomplishment of all the necessary and useful documents for the completion of the company objective.

The Board of Directors has, **the following basic competences:**

- a) establishment of the main directives of activity and development for the company;
- b) establishment of the accounting policies and the financial control system as well as the approval of the financial planning;

- **The remuneration policy of the members of The Board of Directors**

The level of remuneration must be sufficient to attract, retain and motivate competent and experienced people within the Board.

The remuneration policy highlights how members of The Board of Directors are remunerated for their work within the company and includes a description of the fixed remuneration received by each member of the Board and additional remuneration as well.

The remuneration of the members of the Board of Directors is determined by the General Meeting.

At the Ordinary General Meeting of Shareholders of SIF Oltenia SA, held on 04.04.2017, the remuneration policy of the members of The Board of Directors and of The Superior Leadership was approved/maintained in the General Meeting of Shareholders on April 2013, as follows:

- The monthly remuneration of Board members was set at 2.0 gross average salaries per company per manager, 3.0 average gross salary per company for Vice-President and 4.0 gross average salary per company for President.

- The additional allowance for the members of The Board of Directors forming part of the board's advisory committees has been set at 5% of the monthly allowance for the concerned administrator. The members of The Board of Directors shall also be subject to the provisions of the Articles of Incorporation and the Collective Labour Agreement of the company, where applicable (travel, transport, accommodation, etc.).

In order to achieve the net profit indicator, administrators have the right to receive as a whole an additional incentive in the form of the annual profit for 0.5% of the net profit performed, subject to its approval in the OGSM for the approval of the annual financial statements. The Fund will be determined and recorded as a provision from the gross profit, so that the performance of the net profit established through the Income and Expense Budget is not jeopardized. Fund payments will be made after the approval of the annual financial statements.

If the Ordinary General Meeting of Shareholders decides to distribute dividends to shareholders, payment of the incentives is conditional upon the payment of dividends.

Administrators are required to complete the professional indemnity insurance at the level of 10 monthly gross indemnities.

Administrator compensation is calculated in January for each financial year and is based on the average company wage as of December, 31st of the previous year. In the course of a financial year, the allowance for the administrators may be modified only if the indexation of the salaries for the employees of the company is due to the negotiation of the collective labour agreement or the application of some normative documents issued by the state authorities.

Note: The average salary per company is the sum of the monthly salary (basic salary) to which permanent salary increases are added to the company's employees

in relation to the number of full-time employees, with a fulltime labour agreement, existing in the company at a specific date.
